

# FitBuddy – AI Fitness Plan Generator

## Gemini API Familiarity

**Reference:** Google Generative AI Documentation

## Prerequisite Details

- Understand how Google's Gemini models are integrated into FitBuddy.
- Learn how prompts are sent to a Gemini model and how generated responses are received.
- Understand the role of the AI layer in workout-plan generation.
- Understand how AI is used for nutrition/recovery tips and feedback-based plan updates.

This PDF is based on the prerequisite section of the supplied FitBuddy project documentation. It does not add requirements that are not stated in that source.
